DATA ON FARMERS SUICIDES

1975. PROF. MANOJ KUMAR JHA:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) the State-wise data for farmers suicides from 2016 to 2018; and

(b) what are the reasons that the National Crime Records Bureau has not been able to make data about suicides available to public?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI NITYANAND RAI)**

(a): National Crime Records Bureau (NCRB) compiles and publishes statistics *inter alia* on suicide cases. The published report titled “Accidental Deaths and Suicides in India” are available till the year 2015.

(b): NCRB has informed that some discrepancies were observed during scrutiny of the data related to Accidental Deaths and Suicides in India (ADSI) for the year 2016. Accordingly, States/UTs were requested to vet/confirm data pertaining to their State/UT before the ADSI 2016 report is finalized. Some of the States have now revised their data as compared to their previously furnished data/ report. Accordingly, their reports are under scrutiny and revision.
