ANSWER

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT

(SMT. D. PURANDESWARI)

(a) & (b) As no information on incidents of ragging was being maintained centrally prior to the launch of the National Anti-Ragging Helpline under the “UGC regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009” no comparison with previous academic sessions is possible. Based upon the information collected from the Anti-Ragging Helpline and other information obtained by UGC, 350 complaints have been registered, which have been forwarded to the concerned institutions. A total number of 18 complaints communicated to the institutions have been responded by the concerned institutions and accordingly closed by the helpline.

(c) Does not arise.

(d) The Regulations of University Grants Commission (UGC) and All India Council for Technical Education (AICTE) already have stringent provisions to deter and punish incidents of ragging.
