**ANSWER**

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT

(SMT. D. PURANDESWARI)

(a) & (b): No, Sir. Rustication commonly means suspension from college or university by way of punishment on the grounds of indiscipline or misconduct. Indian Institute of Technology (IIT), Kanpur, has not rusticated any student during the last few days. However, academic programmes of a few students, who have not been able to clear their academic requirements, have been discontinued. Students whose academic programmes are terminated, may choose to appeal and such appeals are considered on merits by the Academic Senate of the Institute.

(c) & (d): Three students of IIT-Kanpur took the extreme step of committing suicide during the last three years. The reasons for some of the cases for taking such extreme step have reportedly been stated in notes left behind by them which are in possession of the Police Department.

(e) : While, the Government have received a few complaints regarding IIT-Kanpur, the same have not been substantiated.
